First Core Curriculum Workgroup Meeting & Reminder for Stakeholder Meeting

Good afternoon,

The Core Curriculum Workgroup held its kickoff meeting on January 18, 2018. We discussed the DOL/OSPI 2-Phase approach, and began exploration of ADTSEA and DSAA national curriculum standards. Participants will begin assessing the standards to help identify the desired outcomes we will expect from all schools in the state of Washington. This is an important first step toward improving statewide uniformity in the quality of DTS instruction.

More information about the meeting will be posted on our Website:
